

# Wheatcroft Primary School

## News Bulletin

Week Ending: 28<sup>th</sup> March 2025

### Achievement Awards

R: Orla G Y1: Reuben B Y1/2: Charlotte B Y2: Jack C Y3: Taylor C-H Y3/4: Amelia B  
Y4: Nye G Y5: Teddy F Y5/6: Evelyn R Y6: Connor O Endeavour award: LKS2

### Pupil voice: C5/6

**Kendrick** - In science I enjoyed learning about adaptations and change. I enjoyed making the science poster for the competition, and for science week I loved making the grabbers. We also have had a lot of outdoor learning during this unit, I have loved every lesson.

**Bow** - I enjoyed making pop-up books in DT for year one to read. I loved designing it and liked learning about the different mechanisms needed to make the books pop up, such as sliders and spacers.

**Teddie** - I enjoyed writing twister fairy tales in English. We had lots of freedom and creativity, and we also read some twisted fairytale books together! It was funny!

**Harley** - In athletics, we have been learning how to do long jumps and races. My favourite has definitely been the long jump because I am very good at it!

**Amelia K** - In maths, we have been learning decimals in context. We had reasoning questions based on food lists. We had to use short division to work out different cafe orders! There were multiple steps, but I had lots of fun challenging myself and working them out!

### Green Bee's

The weather is set to be lovely this week, making it the perfect time to get outside and explore! Why not take a nature walk and spot different species along the way?

Getting outdoors not only helps us learn more about the world around us but is also fantastic for mindfulness and well-being.

### Team Points

374	408	548	367

Make sure you check when your child's class assembly is.

### Mrs Miller's Message

We have had another week of brilliant achievements for the children of Wheatcroft! The LKS2 performance of 'Rock Bottom' was truly amazing; it was lovely to watch the children perform with so much confidence and enthusiasm. A huge thank you to the LKS2 team for all their support, extra time and commitment, which ensured a very polished production. Earlier this week, Palak, Teddie, Arthur & Alexander worked hard together for the final of the maths challenge achieving 9<sup>th</sup> place overall out of 25 teams. The children should be proud of their achievement. Thank you to Mrs Standen for supporting the children to prepare for the events. Well done to everyone who took part in the Science poster competition. Class winners were: R - Eva Y1 Ben and Josh Y12 Rosalie Y2 Theodore Y3 Mehr Y34 Georgia H Y4 Alessio Y5 Jasper Y56 Evelyn R Y6 Fatima. Our overall winners were Alessio, Ben & Josh. We look forward to a busy final week next week which will end with our very popular PTFA Easter egg hunt!

### School meal prices

Please note: From 01 April 2025 the cost of school meals will be increasing.

The revised costs will be:

**Nursery meal £2.68**

**Junior meal £3.55**

Please ensure your account is in credit by paying via School Grid or setting up a direct debit. Thank you
