Fraizer – I have enjoyed learning about coasts and beaches in Geography.

Amelia B - I liked Maths because we are learning decimals and I was proud with how I did as I thought it was going to be very hard.

Ella W - I've enjoyed learning about the Bronze Age and Iron Age as I like knowing what life was like in the olden days.

Jacob - I've enjoyed English as we've been writing so much and that's fun.

Morris - In PE we played team games and I found it fun how competitive it was.

Mrs Miller's message

With the weather being up and down this week, it has been unfortunate that we have had to cancel or postpone some of our sporting events. However, we will have plenty more opportunities in the upcoming weeks including sports days so don't forget to check the dates on our website.

This week saw the start of our Year 4 times tables check and the children have approached these with maturity and perseverance. Next week we will be carrying out phonics checks for Year 1; please speak with the KS1 team if you have any questions.

On Monday, our Year 6 cohort will be off to Norfolk Lakes for their residential journey. I hope that they have a fantastic time; we will share updates with parents daily through our text message system. Don't forget to book the assembly date in your diaries; Friday 20th June 2:45pm.

Despite the predicted rain, I hope that you are all able to enjoy the weekend.

Absences

It is important to encourage the habits of punctuality and good attendance. Please phone the school between 8:30 and 8:45am to report an absence. This should then be followed up with an email to office@wheatcroft.herts.sch.uk to confirm the reason for your child's absence. In cases of major illness or emergency, the school should be notified on the first day if the absence is likely to be prolonged.
